

# The Last Person on Earth

4 0 1

## Chapter 1 by Story Wars

I am the last person on Earth. To some of you it may sound fun, being able to do whatever you want, whenever. Get food for free, eat as many sweets as you want or stay up for ages. NO. You have to survive I am the last person but not the last creature. Animals have mutated and destroy every building, every house, every base that I need to survive. Doesn't sound so fun any more, does it? Oh No I hear footsteps... is it a leocroak! Sound funny, well It has a poisonous bite, not to mention its massive razor blade teeth, it has an awesome sense of smell and camouflages extremely well... I'd better hide my scent, trail and RUN.
